OLD BUSINESS

6M REPEATER UPDATE - An antenna has been ordered from two different companies, and a climber (Shane Imler) has been found. Still waiting on clearances, antenna, hardline, and duplexer.

Multicommm Garage/Hamfest has not yet been scheduled.

NEW BUSINESS

Multicommm UHF repeaters and duplexers available. After some discussion, it was decided BCARS is not in a position to purchase these, though we may have a need in the future as more tower sites become available. KB3DFZ stated that he would purchase these and can either sell them to the club or elsewhere in the future.

Income - K3QNT reported two possible donation sources, either of which would be able to cover our repeater expenses.

Set Exercise - KE3ZT discussed the upcoming WPA set exercise on April 3rd from 9-12. KE3ZT provided instructions on using the ICS-213 form. K3QNT provided pads of blank ICS-213 forms, assigned positions and explained the set scenario.

With no further business, the meeting was adjourned at **2059** hours.

Respectfully Submitted,

John Hogenmiller
